## PRODUCT CHARACTERISTICS

Colour	Clear
Form	Liquid
Specific Gravity	1.07 kg/l
Composition	Hydrochloric Acid
pH	<2
Product Code	30811213 – 1L 30811214 – 5L
Storage/Shelf Life	Store for up to 12 months from date of manufacture in original, unopened packaging under cool, dry, conditions within the temperature range of +5°C to +30°C and out of direct sunlight. Protect from frost. Store in a well ventilated area.

## TYPICAL PERFORMANCE DATA (Approx.)

Application Temp.	+5°C to +30°C
-------------------	---------------

Coverage	Depends on porosity of surface and / or dilution ratios
----------	---

## DIRECTIONS FOR USE

Depending on the degree of residue, **SANTRAX BRICK, TILE and CONCRETE CLEANER** can be applied neat or diluted up to 1 part concentrate to 4 parts water. Spray product on surface or apply product with a brush. The product may bubble on surface, this is normal. The product can be worked into the surface with a brush. Allow to react with the surface (can take up to 1 hour depending on surface). Rinse surface thoroughly with plenty of water.

**Warning:** Test **SANTRAX BRICK, TILE and CONCRETE CLEANER** on a small section of the surface to be treated. Allow the area to dry before assessing the result.

Do NOT apply **SANTRAX BRICK, TILE and CONCRETE CLEANER** to calciferous stone such as marble or granite. Do NOT allow product to come into contact with metal surfaces, for example, metal basins, draining boards, bathroom fittings or mirrors. Sufficient ventilation must be provided to prevent acid fumes attacking metal surfaces. Some discolouration may occur if the product comes into contact with some types of plastic or enamelled surfaces. Do not mix with other materials.

## PRECAUTIONS IN USE

**SANTRAX BRICK, TILE AND CONCRETE CLEANER** Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Keep out of reach of children. Do not breathe dust/fumes/gas/mist/vapours/spray. Wear protective gloves/protective clothing/eye protection/face protection. **IF IN EYES:** Rinse cautiously with water for several minutes. This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
